

Notify 2 full business days Before You Dig – It's THE LAW!!

- 1. If you hire a professional excavator, they are responsible for requesting their own underground utility locates.**
- 2. Everyone, contractors and homeowners alike, must request utility locates at least 2 full business days (not including weekends & holidays) prior to digging.**
- 3. The Utility Notification Center is open 24 hours a day, 7 days a week to process locates. Online locates will be processed Monday through Friday, excluding weekends and holidays.**
- 4. Protect yourself and your property against underground utility damage and liability by finding out where the underground utility lines are buried on your property.**
